We are very excited to announce our first event in 2020, which will be a 2-day meeting taking place right before USCAP, on **February 27 & February 28, 2020, at the JW Marriott Los Angeles L.A. Live - Gold 4 Ballroom.**

One day of speakers. One day of working on deliverables.

Also, the **Alliance Truthing Working Group is looking for pathologists to help with ground truth data collection on day 2 of the event.** This is very important for one of the big Alliance deliverables! **If you are interested, please check out the recruitment info here: <https://digitalpathologyalliance.org/s/HTTatUSCAP.pdf>**

We look forward to see you in LA!
